

Stacy LaMotta

President & Founder

August 5th, 2024

Dear Friends,

The Southern Delaware Wine, Food, & Music Festival is more than a festival to me. It's everything I am and everything I love. The decision to postpone the 9th Annual festival has been truly heart-wrenching – and it's been incredibly hard not to feel as if this disease has hurt me in yet another painful way.

At the same time, I must express my sincere gratitude to all of you. As news of the postponement spreads, I have been overwhelmed by the abundance of compassion, encouragement, and support I continue to receive.

At a time when I found myself overwhelmed by fears, having the community I have supported for many years now rally around me with genuine concern for my well-being and validation that my health should be my top priority has meant the world to me.

Thank you for empowering me to transform the disappointment of postponing the festival into an opportunity to spread awareness of Ehlers-Danlos Syndrome, helping others get the diagnosis, treatment, and support they need too.

Thank you for giving me the positive energy and strength I need to recover and heal.

And more than anything, thank you for being the reason I can focus on the future, growing increasingly excited to join together and celebrate with all of you in 2025!

With gratitude and respect,

A handwritten signature in blue ink that reads "Stacy".
